The Senior Class
of Clairemont High
School in San Diego,
California Presents The

CALUMET

1962

FOREWORD

A black and white photograph of a modern building. The upper portion of the image shows a section of the building with a large, light-colored rectangular area on the left and a grid of windows on the right. The lower portion of the image is dominated by a series of strong, parallel diagonal lines that create a sense of depth and perspective, suggesting a close-up view of a building's facade or a series of steps.

Dramatic lines of the County Court House reach skyward, symbolizing its high standards of justice.

Dynamic contrasts are characteristic of San Diego. It is the oldest of the California cities, yet its supple spirit of youth is evident at every turn, transforming tomorrow's nebulous dreams into the realities of today.

It is this spirit that has attracted science and industry to the City of the Sun, and with them comes the modern, functional design that arises from their progressive tempo.

The 1961 *Calumet* showed San Diego's quiet, relaxed beauty; the 1962 edition parades a different kind of artistry - the manifestations of its spirit of progress.

I'm sure a lot of you do. I've seen a lot of you take your time. She's all you see in a good and see of the future. Always, Diana Rose 11/62

You're the only girl
motorcyclist I know very
well. I only hope the others
are as sweet as you

Beneath General Atomic's beautiful exteriors lies the infant nuclear fission, so soon to mature, already leading man to the world of his dreams —and beyond.

Virginia - you're a
really swell friend
I don't ever forget
how you helped
me in tenth
grade and we've
been really good buddies
these past years. Best
of luck.

SENIORS in ACTION

And the surf god rises from the back depths as the frenzied worshippers dance around him.

Left: You mean you need nine more?

Right: That's the last time he'll take my candy bar!

Good Night, My Friends, Good Night!

Outstanding Scholastic Ability
Valerie Karge, Michael Parry

Standing at the top of the class of 1962 are these two leaders in academic achievement.

Most Likely to Succeed
Gail Durley, Timothy Katsatsu

Selected by seniors for their determination, ambition, efficiency, and as students who will achieve their goals in life.

Contributed Most to the Class of 1962
Rick Shaw, Sue Lange

Chosen for their leadership, citizenship, hard work, and accomplishments in behalf of the class of 1962.

Tribal Honors

are accorded Claremont's outstanding seniors

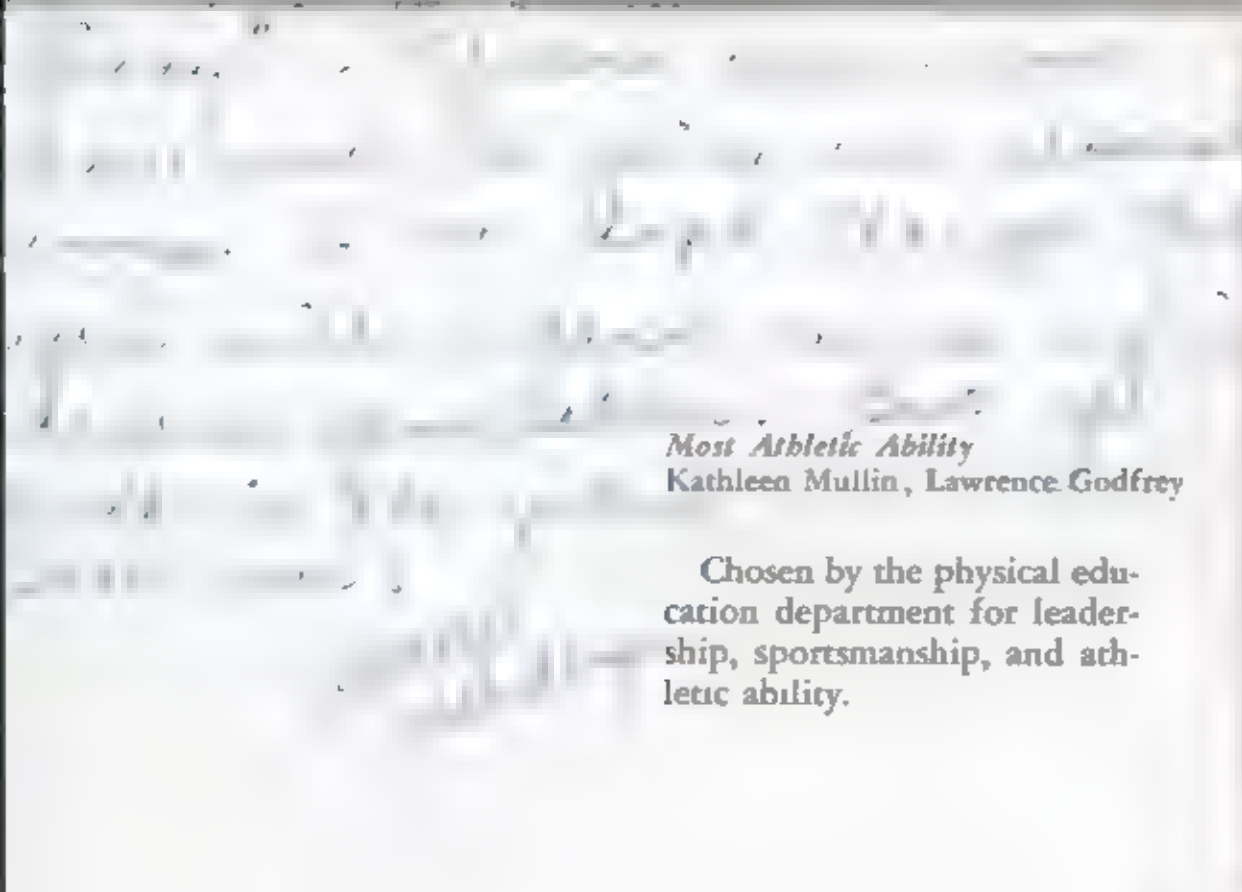

Far Left:
Best Personality
James Bell, Betty Handley

Chosen for their friendliness, consideration for others, sincerity, sense of humor.

Left:
Most School Spirit
Dixie Warren, Ronald Eddington

Elected by the senior class for their support of school activities and exhibition of school spirit through their work and attitudes.

Most Athletic Ability
Kathleen Mullin, Lawrence Godfrey

Chosen by the physical education department for leadership, sportsmanship, and athletic ability.

Most Musical Ability
Sandy Wittmer, Mike Ware

Chosen by the faculty for their outstanding talent, initiative, and achievement in the field of music.

The Senior play

"Sabrina Fair"

Mrs. Linus Larrabee appears somewhat taken aback as Sabrina happily displays her surprise gift.

Below: Linus solemnly carries an elated Sabrina after asking her to marry him

Linus Jr. listens with typical calm as Sabrina tells Mrs. Larrabee that it is "him" she wants to marry

bolstered the senior class treasury

Aunt Julia is forced to "take her medicine," but she obviously isn't too fond of the idea.

Oooooof! Too late to duck!

Below: Showing varying degrees of pride and satisfaction, "Sabrina's" cast takes a curtain call to the roar of enthusiastic applause

Senior-Faculty

Typifying the faculty's adherence to the rules of basketball, teacher Romeo fouls C. Hysom in a futile attempt to wrench the ball from the grip of the younger senior

Tigers on defense and under the boards, the Faculty never quit. Unfortunately, they at times became confused: in this case the Senior in the striped shirt doesn't have the ball. The annual fun fest provided many laughs for "charity"—the AFS fund.

"Killer Clarence" and the boys converge on the Faculty's helpless representative, Carl Lutz. Frantic Gorden Carter is already fleeing the scene of the impending collision

Basketball Game

offered Seniors and Faculty alike an opportunity to vent their righteous wrath

Usually one of the high points on the list of senior activities, this year's Senior-Faculty collision slumped to a new low. The highly-touted Seniors lost to a vastly inferior Faculty squad, but only under questionable circumstances.

It was rumored that the official score-keeper was really a faculty member in disguise and took numerous liberties while tallying the Faculty's points.

Also to be taken into account is the unscrupulous substitution of fresh players every one and one half minutes by Faculty player-coach John Carey, to tire the Seniors, in for the entire period, in the final quarter.

Once again the hopelessly out-classed Faculty is forced to foul to remain in contention; Dick Esler delivers a smashing body block to an unsuspecting Senior while Rick Shaw, dressed in "Baby Doll" P.J.s looks on in horror.

America's hope for the future and the team that, had the score-keeping been above-board would have doubtless been victor in the Senior-Faculty fracas.

Seniors in Action

At homecoming 61 Sherry poses. Bonnie plays football. Freda says 'Hi', Cindy gives orders, and Patsy is nasty to the photographer.

Gee, a real, live foreign exchange student and he's standing next to ME!

San Diego, in its climb to "major-league" stature has developed co-ordination of its separate parts, much as a giant shopping center. So too, must the juniors achieve this co-ordination in their climb to seniority.

SOPHOMORES

Symbolic of "Sophomorphism" is this geodetic dome of many facets at the San Diego Children's Zoo. All its parts seem bound for different places yet, mysteriously, it holds together. Too, like the untenanted auditorium, they have the capacity for great things, needing only the accumulation of future knowledge and maturity to help them achieve their goal in life.

Chieftans in Action

Some people come to the scholarship office for help, but the others . . .

"... and the fire started so fast me and Claudius here had to grab my fiddle and run."

Manufacturers of even the most basic commodities have incorporated the modern look into their building design, thus becoming an aesthetic as well as economic asset to the community.

STUDENT LIFE

Associated Student

Timothy Kashatsu
Commissioner of General Affairs

Traditions, rather than material appearance, are the heart of a high school. Every member of the Associated Student Body of '61-'62 can be proud of the part he has played in building tradition at Clairemont High School, tradition deserving the honor and respect of Clairemont student bodies of the future.

Such tradition is not built swiftly, but slowly, through the intangible, intrinsic pride and kinship attained by being part of a school and its activities. As Clairemont is a relatively new school it can and does exercise a certain amount of eclecticism in forming its traditions. The enthusiastic school spirit at athletic activities, the active and growing circle of Affiliated Clubs, and the excellent student body-administration relationship reflect the benefits of this practice.

Internationally, this school year will be called the year of the big bomb, the year of the astronaut, and the year of crisis for the free world. Nationally, the growth of reactionary and radical political groups is a feature of this year. Locally, at Clairemont High, this is another year in which another group of young people graduated to discover what the world is really like.

Classes continue to replace one another and to each is attached the certain sentimentality resultant when a group of people holds many experiences in common. An important part of the ASB Commission's job is to promote and build such common feeling and tradition among the members of Clairemont High School's present, past, and future student bodies.

With the large enrollment of some 2400 students this year this task and that of effective government appeared difficult; however, the excellent participation of homeroom representatives and the solid support of ASB cards by students have made this year at least a moderately successful one.

If, on a larger scale, the Commission has succeeded in helping build and solidify ideals and tradition at Clairemont, then this year may be counted a most successful one.

Varsity Football

had its finest

Coach Henson

Coach Duke

The old cliché, "the third time's the charm," was borne out by the CHS football team this year. It was their third year of Western League competition and the first year they weren't residing in the loop cellar at the close of the season.

Although not a banner year when measured by the won-lost record, the 1961 season was successful in other, more important ways. The primary purpose of football, to teach people to work as a team, was furthered as were the causes of sportsmanship and school spirit.

Despite our 1-6-1 record on the season, it wasn't a total loss. We had played some of the top teams in the county and fared better than others who had more talent than CHS.

Perhaps the highlight of the season came with our spectacular upending of arch-rival Mission Bay 40-6. This was a fitting sequel to an earlier victory over Hoover in the Carnival.

Offensive team

league season in three years

One of several innovations used this year was the two platoon system. Through it the poise that comes with game experience could be gained faster and by a greater number of players than would have otherwise been possible.

Defensive team

End John Rogers pulls in a pass from Tom Bowden for a key Chieftain gain. Despite the effort Clairemont absorbed its first defeat of the 1961 season as it fell to Helix, rated first in the county, 40-6. Larry Godfrey supplied the lone CHS score on a 49 yard sweep around right end.

Tom Bowden

John Rogers

Bob Boyce returns a Red Devil kick-off as the team turned in its best effort to date. Sweetwater, another resident of the top ten, barely managed a tie in the last 45 seconds. A last play pass interception gave the Chiefs possession inside the Devil 25, but the clock ran out and the score remained 3-3. Bob Hartin scored both CHS touchdowns.

Bob Hartin chags off sideline yardage, requiring a pack of Pointers to put an end to his gain. Bad breaks teamed with Pointer power to hand the Chieftains a 24-7 loss. Larry Godfrey accounted for the lone CHS score in the hard fought league opener.

Trailing Buc defenders, Larry Godfrey picks up a first down against Mission Bay. Out to avenge upset losses in '59 and '60, Clairemont keel-hauled the defenseless Buccaneers 40-6 to set a Western League scoring record. Juniors Bob Baye and Ken Rizzo led the parade into the M. B. endzone with first quarter touchdowns. Bob Hartin, Larry Godfrey, Ken Larsen, and Chuck Worack each contributed a six-pointer.

Sparked by returning seniors and sustained by juniors up from last year's championship junior varsity, this season's varsity squad put on an impressive display of balance, hustle, and spirit while advancing to the S.D.C.I.F. play-offs. Although their 11-14 record does not indicate a "great" team, league balance and the team's habit of winning league games must be considered

Jim Malone
Most Valuable Player

Exciting games became the by-word as thirteen contests were decided by five points or less. Of these, two were overtime contests: the loss to San Diego, the number two team, in a double overtime squeaker and the Chief win over the Komets by one in a league thriller. Point Loma and Lincoln continued their domination of Clairemont, winning hard-fought battles that were anyone's game.

The Gymnastics Team

... roared through its third undefeated regular season to take the league championship.

Gymnastics, an official sport for three years, has proved to be Clairemont's most successful one. The Chieftains won the City Championship in 1960 and 1961 and, judging from the veteran-laden ranks of this year's team, stand an excellent chance of capturing their third straight championship.

Varsity Baseball

boasts a nucleus of seasoned veterans

Coach Beck

Complete standings are not listed due to early deadlines, but to March 22, 1962 the team had compiled a creditable 5-3 record.

Unseasonable weather hampered many early workouts, but the squad has shown improvement over last year's team, which finished in second place in the Western League.

Don Bloodworth leads the pack in the 180 lows.

Larry Godfrey pours it on to out-distance other entries and record a fine 51.1 clocking.

John Swallow on his way to a 20' plus broad jump.

Tom Smith turns an early season 2:01.3 clocking, a sign of things to come.

"Ooof!" exclaims Jim Malone as he clears 5' 11".

Carey Matern hits the tape 220 yards ahead of his competition. His best time at press time 4:35.

The yearbook staff expresses its sincere gratitude and appreciation to all whose help and co-operation have made the 1962 Calumet possible. Among them are the administration and faculty, Busco-Nestor Studios, Edwards' Photography, Mirro-Graphic Division, American Yearbook Company, and the S. K. Smith Cover Company.
